PALATINE PARK DISTRICT STATEMENT OF POLICY USE OF FACILITIES

The Board of Commissioners (of the Palatine Park District) is ever mindful that:

The facilities of the community are held in trust by the Board for the use and enjoyment by the general public; This use and enjoyment is a valuable right; The First and Fourteenth Amendments to the United States Constitution guarantee to individuals and groups of individuals an inalienable right of public assembly and expression; Historically, public facilities have been a forum for such expression; A viable society feeds on discussion rather than repression, and an orderly assembly, properly administered, is in accord with the rights of the general public, nearby park residents, and normal activities of the facility.

For these reasons, the Board intends to make the facilities available for various uses, including public assembly, and expression of opinion. Lest this statement be misconstrued, it must be understood that: The Board will not delegate to any group its duty of administering the facilities; Permission to use the facilities will be granted only where the function can be reasonably accommodated by the park system and such use will not unduly interfere with the rights of the general public, the prior use by others or park programs, and will not present a clear and present danger to the public health and safety of the community.

Permission to use the facilities by groups for a non-sponsored park function must be upon application and issuance of a permit; Any permit issued may contain conditions that will protect park property and assure orderly and proper use of the facilities.

The granting of a permit is not to be construed as an endorsement by the Board of the subject matters discussed, the opinions expressed, nor the organization sponsoring the function; Any permit granted may be revoked for misrepresentation in the application or violations of the terms and conditions of the permit, the ordinance, rules and regulations of the Park District and the laws of the State of Illinois.
