

The Palatine Gymnastics Club offers developmental classes for children 1 1/2 years through 8th grade. The preschool program emphasizes body awareness, strength, and coordination.

Girls are introduced to the fundamental skills that are used in vault, bars, balance beam, and floor exercise. Boys are introduced to vault, bars, rings, pommel horse, and tumbling. The dress code for girls is a leotard or t-shirt and shorts (fitted or biker type), hair must be tied up. The dress code for boys is a t-shirt and shorts (fitted or biker type).

Please register your child for an age appropriate program level. Advanced classes are available to those children who show, through evaluation, a readiness to move to the next level. These classes are indicated with a "star (★)" and must have instructor permission. Register your child for the gymnastics level he/she is presently attending. You will be notified if your child qualifies to advance to the next level. Spaces will not be held at any level for children who have missed a session. The child will need to be re-evaluated before being admitted to an advanced class (space permitting). Children new to the program, or those who have missed a session, need to be evaluated the week of July 23 and July 30.

The program year runs August 29 through May 17. Please note the exception dates are listed by each class. Fees have been pro-rated for these dates and there are no "Make-Up" classes. All classes are held in the Gymnastics Facility at the Community Center. For additional information or to schedule an evaluation, please contact the Gym at 847-496-6245.
