Mission Statement: The Palatine Park District is a separate municipal governing agency established for the purpose of providing parks, facilities and recreational programs for the community. The Park District is responsible for the maintenance, operation and administration of parks and facilities under its jurisdiction. Our mission is to provide a variety of safe, enjoyable and affordable park and recreation facilities and activities that will enhance the quality of life by promoting good health and well-being for all residents and visitors of the Palatine Park District.

The Palatine Park District maintains 49 parks, including the 195-acre, 18-hole championship Palatine Hills Golf Course with pro shop and clubhouse, 4 pools, Palatine Stables, Cutting Hall a historic 430-seat auditorium, Community Center Birchwood Recreation Center and Falcon Park Recreation Center, George Clayson Historical Museum and Library, and the Fred P. Hall Amphitheater.

The Palatine Park District Partner Program has been established to:

- Provide program scholarship opportunities to residents dealing with financial limitations.
- Seek new funding sources to offset non-revenue generating programs.
- Maintain or increase the parks and recreation service level.
- Expand and create new permanent facilities and attractions.

Benefits

- Attain greater visibility within the community
- Provide an alternative to mainstream marketing tools
- Generate brand awareness
- Assist in providing additional resources

Please be aware that each event has a specific sponsorship deadline to allow time for publicity of the events. There are also a variety of events that would greatly benefit from in-kind donations.

The Palatine Park District reserves the right to award sponsorship opportunities in any manner it deems, in its sole discretion, to be in the best interest of the District.

Contact - For more information on the Partner Program or if interested in an annual package call Deb Owen at 847-705-5123 ext. 224.
